

CHARLOTTE'S WEB

Spanish Grammar I

This course is for students to gain exposure to the Spanish language through usages of learning verbs, and grammar rules in the Spanish language, forming phrases and sentences to build communication skills, and a wider vocabulary. Starting at a young age with hearing and seeing the language in action is an excellent building block for learning the desired language and enjoying it. Charlotte Mason believed that children should hear the language spoken; first, it's then that they can enjoy seeing the words in print truly. In Spanish Grammar I, the student continues learning through speaking and listening to Spanish as a second language. This course is the second stage of this desire to learn a second language. It is now that the student will grow in his vocabulary and begin to put the words to purpose through creating dialogue, learning verb conjugations, and basic sentence structure.

This course will be online through the Canvas platform, where any assignments and additional communication will be posted. We will be meeting live using Zoom as our means of seeing, hearing, and speaking Spanish as a class. We will be using the Alveary Spanish Grammar I Lessons for Form 3 (Grades 6-8) and supplementary items. It is a 36-week class that will meet twice a week. Homework will be very minimal because most assignments will be completed within the class time, however, occasionally if a child is interested additional supplements can be done if a child is particularly interested in the subject outside of class time. Exams will be given and graded for each term.

Canvas platform will be used for communication and is free. Each student will need an email account to register. You can register using a parent's email account, but they will need it to access the course. If registering with more than two children there will need to be two email accounts one for each student.

Supplies needed:

Canvas account (information sent out)

- Print out the Spanish Grammar I Work Book from the Alveary
- Print out the Lesson Plans from the Alveary
- Print out the Modern Language Notebook on Canvas under Printable files.
